# BOYS TO ENTER RIFLE CONTEST

Will Try in National Association Match.

**CONDITIONS ARE PUBLISHED** 

HIGH SCHOOL NOTES.

America, announcing a rifle match for the inter-school gallery championship within the period between April 12 and 24. Targets to be used in the match will be issued from the office of the National Rifle association, on request, to those schools expressing a desire to take part in the competition. A judge will also be furnished by the association to be present when the scores are

The conditions of the match are that any public school, academy, prepara-tory or private school, being all schools which do not confer a degree, may enter a team of ten pupils. The rules of the contest provide for fifty-feet tar-gets, N. R. A. with a one-inch bull'seye; number of shots, twenty for record, two sighting shots and ten shots for record at the standing and prone positions, to be shot in strings of five, the entire team to shoot at the same time; positions, offhand, with body free from all support while standing, head loward target, and shot without use of strap while prone; rifle, any .22-caliber, with sights in front of the hammer; ammunition, .22-caliber short; eligibilcompetitors to be bona fide scholars of the school they represent, and cer-tificates to this effect to be furnished by some duly authorized authority; en trance fee, none from institutions having a rifle club affiliated with the N. R. A. of America, and all others \$2 pe team; prizes, the championship trophy to be held by the school represented by the winning team for one year, when i will again be put in competition by the association, and medals to the indi vidual members of the team.

The idea of adding another trophy to the trophy room of the school or eise the desire to wear one of the neat gold medals offered by the association has led a party of the cadets to sign up for the coming match. They will hold

the secretary, Taylor Chamberlain and Della Carruthers being nominated. In the senate, Warren Stratton was elected president. Harry Swem as clerk and Andy Wimmer secretary. Professor Eaton made a short speech

The spring number of Red and Black will come out Wednesday, March 17. The members of the track and base bail teams made their appearance again yesterday. They were not able to practice because of disagreeable

Manager Caine of the High school track team is working hard to arrange dual meets with all the high schools who made a favorable showing in the state high school meet last year, especially with Lehi, Granite and Ogden These meets, if they can be arranged, will help in getting the boys ready for the state meet.

Another allotment of senior pins was received yesterday. They are in the form of a shield, with gold background, and the numerals are in silver.

COMPANY
No. 32-34 Up. Main St.

Within the next few days the articles of incorporation will be drawn up, and it is anticipated that the \$100,000 capital stock will nearly all be subscribed for by members of the club. Two members last night signified their willingness to take at least \$1,000 worth each, and others have asked for smaller amounts.

Scretary Danzie also reported that, during the past ten days, fifteen new members have been received into the organization. Within the next few days the articles

# UNIONISTS ARE

Committee Has Been of Absolutely No Benefit.

REPORT ON SMELTER CASE

ATTORNEY REFUSED TO ACT.

State legislators were dealt several severe gruellings by the Salt Lake Federation of Labor at the regular meeting committee of the Republican Prohibition league did not in any way involve the league in the publication.

The disclaimer of the executive committee made as the result of the arraignment of the committee by Senator Marks for permitting Reiser to continue his publication follows: now devoting his energies to the interests of the corporations instead of the labor-

that they had been treated unfairly by the legislature.

Marcus Schuman, treasurer of the local Federation of Labor, declared that it had cost the federation \$217.60 to maintain the legislative committee, and he said:

"The work of the legislative committee will not do this body 60 cents' worth of good. Every dollar that comes into the treasury of this federation is hard-earned cash, and I believe that it should be spent for some purpose where it will do some benefit." After some discussion the federation voted to discontinue the legislative committee,

tive committee. Some weeks ago a letter was sent to the Salt Lake Federation of Labor in which the statement was made that cer-tain smelters in the state were working their employes nine and ten hours a day in violation of the eight-hour law. The federation was asked to take some action in the matter and have the complain taken before the proper authorities for

adjustment. A committee was sent to the county attorney, and according to their report last night, that official refused to take any action toward making an investigation until he could be furnished with sufficient facts to warrant the issuing of a com-plaint against the smelter companies. He plaint against the smelter companies. He asked the committee to furnish him with the names of the men who were forced to work longer than the law allowed and the companies by which they were employed. To obtain this list it would require some expense, which the committee did not feel that the federation should be compelled to go to. They held that it was the duty of the county attorney to gather these facts himself.

"It is the duty of the county attorney to see that the laws of the state are enforced and carried out," said R. E. Currie, who declared himself the champion of the smeltermen some weeks ago. "Why

## JUVENILE COURT WARD ACCUSES JUDGE THURMAN

Girl With a Record Appears as Com-plainant Against Two Men Simultaneously.

Under a complaint issued out of the county attorney's ofice at the instance of Chief Probation Officer Guardello Brown, Chief Probation Officer Guardello Brown, Judge Samuel R. Thurman, was placed under arrest yesterday charged with a statutory offense alleged to have been committed against Margaret Carlson, aged 16 years. After the warrant had been served Judge Thurman was released by Judge Brown upon his own recognizance. It developed yesterday, too, that the same girl appeared as the complaining witness in a complaint issued two days ago against A. H. Blath, a jewelry salesman, who is now at liberty under \$1,000 bail.

against several other men. against several other men.

The girl, Margaret Carlson, who appears much older than her given age, is said to have come from Denmark about fifteen months ago. After her arrival in Salt Lake she became a ward of the juvenile court, later entering the service of Judge Thurman's household as a domestic. Since then she has again been under the superty vision of the juvenile court and was due.

"I have no desire to speak barshly of one whom I believe to be a pliant tool in the hands of persons whose machinations have brought my name into an unsavory scandal, but do ask that my friends withhold judgment pending the judicial determination of the accusation.
